All Students
The VA Counselor will contact me by email if there are any issues with my certification.
Please allow at least 30 days for processing of my benefits.
I must submit this form every semester in order to receive benefits.
Only classes that are required for my degree or certificate can be used for my benefits. (Includes prerequisites, developmental classes and course substitutions) I may be asked to verify classes.
Dropping or changing my schedule can result in a debt to the VA.
It is my responsibility to ensure that my class schedule has been secured. My classes will be dropped if I do not make payment arrangements by the payment deadlines listed in the Nunez handbook.
The VA does not allow developmental classes (DEVE 0840/0880, DEVR 0740/0780, and MATH 0900/0980/0990) to be taken as an online class or a hybrid class.
General Studies and Louisiana Transfer degree majors are required to submit a degree plan every semester. Failure to do so may cause my certification to be delayed or not submitted. (See an advisor)
Students using the following benefits must call or verify attendance online each month to receive their payments. (Ch. 30, Ch. 1606 and REAP) You can verify at 1-877-823-2378 or at www.va.gov .
Post 9/11 GI Bill Students
I am responsible for my tuition and fees at Nunez if my Post 9/11 GI Bill fails to come in for any reason.
The Post 9/11 GI Bill does not cover out of state fees. I understand that I am responsible for out of state tuition and fees.
Enrolling in halftime (6 credits for Fall / Spring, 3 credits for Summer) or less will make me ineligible for monthly housing allowance.
Enrolling in all online and/or hybrid classes will result in receiving half of the national average for your monthly housing allowance. I must be enrolled in at least one traditional face to face course.
Any refunds due to me will be processed per the refund policy of Nunez Community College. VA funds may be disbursed later than other financial aid. Please be patient with the processing of payments.
When I submit the form along with my certificate of eligibility, Nunez will place a temporary credit on my account to keep my classes from being dropped. (Credit can change based upon actual payments)

I agree that I have read the above VA regulations and understand that I must notify the Nunez VA Rep if my enrollment changes. I agree that the courses I am registering for this semester count toward my CURRENT MAJOR AT NUNEZ (as listed in LoLA). I understand that if any of the courses that I am taking do not apply to my degree, they WILL NOT be certified and that I will be responsible for the cost. I also agree to allow the reporting of my enrollment status to Department of Veterans Affairs for the purpose of receiving education benefits.
